

**Are you ready to
go with us?**

Come share God's
love with the 'Pearl
of Africa'!

Uganda is one of the poorest countries in the world, yet Partner 135 teams have seen thousands respond to the Gospel and choose Jesus Christ as their Lord. Many of the churches we have planted in Uganda have caught the vision and are joining the effort to reach their "ends of the earth".

Mission Trip

August 15 - August 30, 2025

Life-Changing Mission Trip

Make a difference by bringing the gift of medical services and sight to those in need. This mission trip focuses on providing free eye care, distributing eyeglasses, and offering basic medical clinics in underserved communities. By helping others see the world more clearly and addressing essential health needs, you'll transform lives and create lasting connections. Your compassionate efforts will bring hope and opportunity to those who may otherwise lack access to these vital services, while also giving you a renewed sense of purpose and gratitude.

For more details and information, please call the office or visit our website.

Be a part of God's work in another country

and you'll never be the same!

PARTNER135.ORG

14-day mission trip to Uganda

\$ 3,900⁺

Itinerary:

- Optometry and medical clinics
- Hut-to-Hut evangelism
- Evangelistic Rallies
- Spiritual Encouragement
- Gospel Outreach
- Visits to local schools and churches
- And more...

Share the Gospel

In addition to serving through the clinics, you'll have the unique opportunity to share the message of hope and love through the Gospel. Connect with the local community on a deeper level as you spread faith and encouragement, planting seeds of spiritual transformation in the hearts of many.

Safari Adventure

After your impactful work at the clinics, enhance your journey with an unforgettable Safari adventure for an additional \$500. This optional excursion lets you explore the region's breathtaking wildlife and landscapes, offering a perfect opportunity to reflect on your mission work while immersing yourself in nature's wonders.
