Mission Trip

September 20 - October 2, 2025

→ Changing Lives

This trip is about more than just providing care—it's about creating lasting change for both those we serve and ourselves. By stepping into these communities, we help transform physical and emotional spaces, restoring dignity and offering hope. You'll be a part of something bigger than yourself, where every interaction has the power to make a difference. The relationships you build and the stories you hear will stay with you long after the trip ends.

This is a hands-on opportunity to bring healing, support, and connection to underserved areas—all while staying in a comfortable hotel in the heart of Cusco.
